The image displays four distinct UI components for a mobile application, stacked vertically. Each component is a dark blue rounded rectangle with white text and interactive elements.

- Component 1:** Features the title "SELECT ACTIVITY" at the top. Below it is a dropdown menu with the placeholder text "Select Activity" and a downward-pointing chevron icon on the right.
- Component 2:** Features the title "DATE & TIME" at the top. Below it are two dropdown menus side-by-side, each with a placeholder text ("Select Date ..." and "Select Time ...") and a downward-pointing chevron icon.
- Component 3:** Features the title "Choose Your" above a row of eight colored circles containing the letters A, C, T, I, V, I, T, Y in sequence. Below this row is a button labeled "Select...".
- Component 4:** Features the title "Choose Your" above two groups of colored circles. The left group contains the letters D, A, T, E and the right group contains T, I, M, E. Below each group is a button labeled "Select Date ..." and "Select Time ..." respectively.
